

## Welcome to Caffé Beviamo

### **Open 9am to 9pm:**

Every day we strive to serve fresh, mostly nutritious, but always delicious meals, snacks, cakes and drinks. With the exception of bread and pasta, our chefs make everything in-house, including soups, pizza doughs, lasagne, pasta sauces, roast fillet of beef, tomato relish, cakes, and desserts.

### **Last Orders - 8PM**

### **Organic & Preservative Free:**

Where possible we have included organic &/or preservative free food. Our range of Coffee, Teas and Hot Chocolate are all organic, but we are especially proud to use only natural flavourings such as organic chocolate, pure mango puree, and whole blueberry and strawberry fruits in our thickshakes.

### **Gluten-Free:**

Many items are naturally gluten-free like the vanilla risotto with stewed apple. Our muesli is both gluten-free & pesticide free and we serve gluten-free maccheroni pasta. For something sweet with coffee our Friends are gluten-free baked daily on premises.

### **Half Serves:**

Some, but not all items are able to be made as a 'half' portions however the price cannot always be exactly half.

### **Special Requests:**

Where possible our chefs are happy to accommodate special requests but we hope you understand there are some times we sadly cannot.

### **GST:**

All prices are exclusive of GST

### **Service Charge:**

We do not impose a service charge, preferring to leave tipping to your discretion.

We wish you . . . **Buon Appetito !!**
